

NTREIS RAPMLS GATEWAY SOLUTION

Place an MLS search on your website using the NTREIS RapMLS Gateway solution. This IDX hyperlink will allow you to link your website to a complete search of the publicly viewable MLS listings. The IDX search page will search the NTREIS MLS database and retrieve listing data and pictures in a format that complies with NTREIS Rules and Regulations. If you are a NTREIS member, there is no charge for this service.

Follow the instructions below to retrieve the link.

Note: You must be the Broker or Office Manager and have broker access to the system to retrieve the full IDX hyperlink. If you are an agent you will only see a link to your personal listing inventory.

Log into RapMLS from the NTREIS web site at www.ntreis.net. Once you are Logged in click on “Admin” from the menu bar at the top and choose “Office Menu.”

Then click on “Public Access Links” under the “Office Settings” tab. Scroll down to the bottom of the page select the following:
