

## How to link the Immobel/ Translator site to your website.

For those agents that desire to link the Immobel to an existing website. Please complete the set up wizard.

In the set up wizard on the “Website Address” page, there will be an option to either create a domain, use your existing domain or allow Immobel to create a link for the search that you may later use within your existing website.

- The Subdomain of [www.immobel.com](http://www.immobel.com) will be your URL link within your existing website.
- You will also have the option to use the Language Bars and the html code will be provided.

What address would you like us to assign for your web page	
<b>Subdomain of www.immobel.com</b>	<p>http://www.immobel.com/ <input type="text" value="ntreiscindy"/>   help</p> <p>Note: do not enter any special characters. Only letters, numbers and underscores ( _ ) are accepted.</p>
<b>Purchase new domain name</b>	<p>You can purchase new domain name to use for your immobel.com web site.</p> <p>\$30 - the first year fee (including connection to your immobel.com web site) \$15 - every year after the first.</p> <p>http://www. <input type="text"/> .com  </p>
<b>Use domain you already own</b>	<p>To use a domain you already own (purchased from some other domain provider) that is not currently in use by another web site <a href="#">click here</a>.</p> <p>There will be a one time, \$25 fee for connecting your domain to your immobel.com web site.</p> <p><b>Do not use this option if:</b></p> <ul style="list-style-type: none"> <li>• your domain is currently in use by your other web site and you still want to use it for that web site;</li> <li>• you just purchased new domain using this Control Panel, in which case your immobel.com web site will be connected automatically;</li> <li>• you want to link multi-lingual search to your other web site. Use Language Bar™ feature instead - information below.</li> </ul>
<b>Link to your other web site</b>	<p>There is no fee for linking your immobel.com to your other web site.</p> <p>You can do that using our Language Bar™ feature. Language Bar™ is a row of flags and it looks like this:</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  English         </div> <div style="text-align: center;">  German         </div> <div style="text-align: center;">  Spanish         </div> </div> <p></p> <p>Clicking on a flag directs viewer to your immobel.com web site in selected language.</p> <p>To use a Language Bar™ first finish the SetupWizard and then click on <i>Update Language Bar</i> link on your Control Panel Home Page</p> <p>If you want to link your immobel.com to more web sites email us at <a href="mailto:info@immobel.com">info@immobel.com</a></p>

If you have already gone through the process and have not made the right choices to link your website, you may go back to log in page [www.ntreis.immobel.com](http://www.ntreis.immobel.com)

- Click on “Making Changes to Your Website”
  - From the Site Setup page click on “Change Your Website Address”
  - This will bring you back to the Website Address” page shown above. You may make any corrections or changes.
- 
- This is the Control Panel Options page. Click on Make changes...

## Language Bar HTML Code

You have selected the following language bar to be used on your existing web site:

In order for it to appear on your existing web site, please paste the following line of HTML code into your web page.

```
<table border='0' cellpadding='0' cellspacing='0'>
<tr><td align='center'><table border='0' cellpadding='0' cellspacing='1'><tr>
<td><a href="http://www.immobel.com/~313110/DE"></a></td>
<td><a href="http://www.immobel.com/~313110/ES"></a></td>
<td><a href="http://www.immobel.com/~313110/FR"></a></td>
<td><a href="http://www.immobel.com/~313110/IT"></a></td>
<td><a href="http://www.immobel.com/~313110/PT"></a></td>
<td><a href="http://www.immobel.com/~313110/RU"></a></td>
<td><a href="http://www.immobel.com/~313110/PL"></a></td>
<td><a href="http://www.immobel.com/~313110/JA"></a></td>
<td><a href="http://www.immobel.com/~313110/KO"></a></td>
<td><a href="http://www.immobel.com/~313110/ZHS"></a></td>
<td><a href="http://www.immobel.com/~313110/ZHT"></a></td>
<td><a href="http://www.immobel.com/~313110/VI"></a></td>
</tr></table></td></tr></table>
```

- Highlight the “code” to send to your website designer for the language bars.
- Remember the link or URL will be at the top .
