## InnoVia Wireless Search

### To Search in InnoVia Wireless Area and Sub-Area:

InnoVia Wireless now has the ability to search by Area and Sub-area quicker and easier. When you choose an area first the system will automatically pull up all the sub-areas for the area of interest.

[Check None](#) [Check All](#)

- B1A-INSIDE CITY (1)
- B1B-INSIDE CITY (2)
- B2A-INSIDE CITY (3)

You may 'Check All' or just your selection- 'Save & Back to Search' and you are ready to view the properties.

#### **To Search InnoVia Wireless Categories and Types:**

To search from InnoVia Wireless in different categories be sure to remember to match the 'Category' with the correct 'Type'.

In the wireless search, each Type is in a row in the same sequence as the Category - see screen shots below-
